(1) If all the children in the world, were to hold hands,
boys and girls in a line, dancing all as one.

Chorus ***The circle would be very large, for all of us to see,
and it would go all around, and fill the world with peace!***

(2) If everybody in the world, were to hold hands,
you and me in a line, dancing all as one.

Chorus ***The circle would be very large, for all of us to see,
and it would go all around, and fill the world with peace!***

(3) Different ways of living, but sharing the same home,
Different ways of feeling, but sharing the same heart.

Chorus ***The circle would be very large, for all of us to see,
and it would go all around, and fill the world with peace!***

(4) If all the children were so kind, the world would be so nice
And everybody in the world would give a smile and laugh.

Chorus ***The circle would be very large, for all of us to see,
and it would go all around, and fill the world with peace!***

(5) Happiness is a gift of your imagination,
let's dance together hand in hand for this celebration

Chorus ***The circle would be very large, for all of us to see,
and it would go all around, and fill the world with peace!***
